"I believe in the basics: attention to, and perfection of, tiny details that might be commonly overlooked. They may seem trivial, perhaps even laughable to those who don't understand, but they aren't. They are the difference between champions and near champions." John Wooden

**Overview:** With over 25 years working as, and with thousands of PT's, I have found the 5 Fundamentals that the most successful have in common. We will explain them, individually assess them and set up a specific development plan to achieve a highly successful & life-long career as a health & fitness professional

#### Assessing Yourself - Skill vs.Will?

Moving from Potential to Professional

- Competence Demonstrating goal or task specific knowledge & skills that transfer to achieve your goals
- Commitment Motivation & confidence to consistently perform the goal or task

### Must assess both to the highest standard!

## **Standards & Self Assessment**
